Our Mission

Helping neighbours extend a warm welcome to new members of our community, fostering connections and creating a sense of belonging from the moment they arrive.

Good Neighbour Kitsilano

We are a grassroots community initiative on a mission to make Kitsilano the most connected, caring and resilient neighbourhood! And we do that through our Good Neighbour Block Connector Program, based on three pillars: Connect, Care and Prepare, that aims to connect neighbours, build networks of care and support and prepare for emergencies.

Acknowledging the unceded territories

This place is the unceded and ancestral territory of the hən̓q̓əmi̓nəḥ̓ and Skwxwú7mesh speaking peoples, the xʷməθkʷəy̓əm (Musqueam), Skwxwú7mesh (Squamish), and səliłwətał (Tsleil-Waututh) Nations, and has been stewarded by them since time immemorial.

Vancouver is located on territory that was never ceded, or given up to the Crown by the Musqueam, Squamish, or Tsleil-Waututh peoples. The term unceded acknowledges the dispossession of the land and the inherent rights that Musqueam, Squamish and Tsleil-Waututh hold to the territory.

A land acknowledgement is an invitation to step into action.
